Promotion plus⁺ qualifiziert
Management Competencies
for Careers Outside Academia

Apply now
until July 31!

GRADUIERTEN
AKADEMIE

Promotion plus[•] qualifiziert

The two semester programme Promotion plus[•] qualifiziert (PhD and beyond) conveys management and key competencies in concurrence with your research and helps to identify career prospects outside academia.

Alongside two German-speaking work teams we also offer one English-speaking group.

Contents

The trainings in the programme are carefully matched consecutive courses and cover the following core areas:

- management competencies | corporate entrepreneurship
- career planning and job application
- transferable skills

The programme is subject to an ongoing process of adjustment and has always been carried out with the participation of trainers from or with connection to the business world.

Target Group

- registered doctoral students and postdocs in the first two years of their postdoc phase of Leibniz University Hannover
- On request, doctoral students and postdocs of other universities can be admitted to the application process.
- An already advanced stage of the doctorate as well as a repeated application for the programme can be taken into account when selecting participants.

Certificate and Participation Fee

After successfully completing the programme, the participants will get a certificate indicating the attendance of the programme. This will be presented in a ceremonial closing event.

The participation fee is 120 Euro and can be paid in two instalments of 60 Euro. The three applicants with the most convincing applications will be attending the programme without paying.

„Als junger Ausländer in Deutschland schätze ich die Chance, am Programm Promotion plus[•] qualifiziert teilnehmen zu können, um meine Karriere hier weiterzuentwickeln.“ (Participant)

Procedure

The programme starts in late autumn und lasts until summer of the following year. The workshops take place during the semester. The consecutive courses comprise about 72 hours plus the time that the respective work team requires for an accompanying project work.

Places are limited to a maximum of 36 participants (three interdisciplinary groups, including one English-speaking group).

Application

Apart from the completed application form, the following documents should be enclosed with the application:

- cover letter stating the reasons for application (e. g. motivation, career objectives, already established contacts to companies, private or public institutions)
- Curriculum Vitae, including academic development
- higher education diploma
- certificate of enrolment (doctoral students only)

Please submit your application electronically as one single PDF document to: graduertenakademie@zuv.uni-hannover.de

The application deadline is July 31 of each year.

Please find the application form, further information on the application process and all programme dates on our website: www.graduertenakademie.uni-hannover.de/en
